In his last Battlefield II afterwards he complained that the protagonist in the game model is not warm enough compared to the actual model on which it is based.. EA did the same in Mass Effect Andromeda where she made the female Shepard uglier than the model she was based on but the male Shepard was identical to the model.. People respected Dev commitment to keeping this class alive Do not Understand If you never played Doom before and missed you in the 90 in the game time you never understand just like you never understand why old people like black and white movies that they love.. There is much more blood and also unique gibbs death animations dismemberments headshots executions fire and explosion particles torches and much more.. Instead she does not feel like Doom anymore It a total power fantasy that only makes you drum through a horde of demons but is still tough and will punish you if you do not concentrate and actually try. The patch also corrects the armor of Brutal Doom which looks a little hidden when playing the courage of Sergeant Mark IV with some Chex Quest IWAD and something else.. It probably a generation gap Old School Games is not really your taste After all the cleanup button is a feature I used to use in wads that suddenly comes with a big sardine box full of monsters.
